Family Note
Students are using a double ten frame (20 boxes and counters) to build teen numbers. Students use the empty boxes to make the connection of how many more to make 20. A double ten frame is on the side of the paper to help your child.

Please complete and return to school tomorrow.

Directions: Build the number on the teen frame located on the side of the paper. Count the empty boxes to see how many more you will need to fill it and make 20. Write the number on the line.
