Saturday, May 16, 2015

ALGEBRA KEYSTONE EXAM

8:00 a.m. – 12:00 p.m.

Room 108

This is mandatory for all non-public school students who are currently taking a full Algebra I course (not pre-algebra or algebra 1/2)

- All public school students who are currently taking an Algebra I course will be taking the Keystone Exams in their current school before the end of the year and do not need to attend.
- Students in public and private schools who are not currently taking an Algebra 1 course will be scheduled into Algebra I and will take the Keystone at the end of 9th grade.

Students may bring calculators to use during the Algebra Keystone Test. *Cell phones are not permitted and will be collected prior to testing. This is an un-timed test. Students may be done before or after 12:00.*

Please allow for some flexibility with the timing of the exam.

Parents: You may drop your students off at the State Street Door Entrance. The dining hall is straight down that hall. If you prefer to wait for your student, we will have a room available near the dining hall. Please call 874-6300 if you have any questions.
