Dear Senior Parents,

I know it is hard to believe, but it is that time of year to begin planning your child's senior year pictures. Inter-State Photography (1-888-368-7860) is our official school photographer for the yearbook. Even if you choose to have a private session with another photographer, all seniors will still need to be photographed by Inter-State in order to have his/her photo in the yearbook.

This year Inter-State is offering sessions at Collegiate Academy on July 23rd & 24th in order to better suit the needs of our students. Your senior should call (1-888-368-7860) to schedule an appointment time.

There will be no session fee if your child comes to the school on July 23rd or 24th to have his/her yearbook photo taken; however, there is a session fee for additional photos (see reverse). Students will have their official yearbook photo taken which will be a tux for men and a drape for ladies (provided by Inter-State). Students may bring different outfits if they are having a full session.

Finally, if a senior cannot make the dates during the summer there will be a senior retake day during school on September 3rd. Any senior who has not had his/her picture taken prior to school starting will need to have their yearbook photo taken then. The September 3rd date will be for the formal yearbook photo only.

Please feel free to email me at jditrich@eriesd.org with any questions.

Sincerely,

Jen Ditrich
Yearbook adviser

Your senior picture date is rapidly approaching and we at Inter-State Studio would like to take a moment to answer a few questions you may have about your pictures:

Q: When and where will pictures be taken?

A: Pictures will be taken July 23rd and 24th at Northwest PA Collegiate Academy.

Appointments will be taken on the first come first served basis. We will also be calling students to set up appointments. If you have a specific time in mind, please call as soon as possible.

Q: How much does it cost?

A: There are four sittings to choose from:

\$35.00	Session A - 20 poses, up to five changes of clothing Indoor and outdoor poses.
\$25.00	Session B - 12-16 poses, up to three changes of clothing. Indoor and outdoor poses.
\$20.00	Session C - 8 poses, two changes of clothing. Indoor poses only.
FREE!	Session Y - 4 poses, one outfit only. Yearbook pose provided to school at no charge.

Q: I am going some where else to have my senior pictures taken, why should I have you take them?

A: At the request of your school we will be taking all of the formal yearbook photos for this year. The boys will wear a tuxedo and the girls will wear a black velvet drape. These will be provided for you. These will be the only formal pictures permitted in the Senior Section of the 2015 yearbook. Students will be able to review their photos and choose their yearbook poses immediately. You are free to go elsewhere to have your pictures taken for family and friends, or for your casual yearbook photo. However, we would appreciate your considering Inter-State Studio for all of your senior portrait needs. Our expert photographers provide an excellent senior portrait experience.

Q: What should I wear first?

A: Guys please wear a light colored t-shirt to put the tuxedo over. Girls may want to wear a tank top with straps that can be folded down off the shoulder to go under the drape.

If you have any questions, or if you would like to schedule your sitting, please call 1-888-368-7860 during regular business hours Monday through Friday. We look forward to being part of this important time in your life.

Sincerely,
