Mascot: Lion**

Alma Mater

(Original Alma Mater of Academy High School,
now being used by Collegiate Academy)

High stands our alma mater
Overlooking lake and town;
High in our hearts we cherish
Her ideals and fair renown.
Noble in her grace and beauty,
In her service frank and free,
Training lives in truth and duty
Honor, trust, and loyalty.
Then we'll work and fight for her honor,
And we'll work and fight for her fame,
We will serve her right
In the world's greatest fight
We will ever uphold her name;
For her sturdy sons are so valiant
And her maidens so kind and true-
We will carry on, till the stars are gone
For Academy, the gold and blue.

Motto:

Pride, Honor, Respect.

Communication

Infinite Campus

This link is designed to allow parents 24-hour access to their student's grades. Parent's/guardians access to their student's information by using an Erie School District generated unique ID number. Parents can log on to the Erie School District's web site <http://www.eriesd.org/ecsd/>, click on PARENTS and then select [Infinite Campus Parent Portal](#). Then click on the Infinite Campus logo and follow directions for logging on or creating an account. Technical issues should be emailed to parentportal@eriesd.org.

Parents/guardians can access the student grade information and attendance. Parents may also email the teachers directly from the Portal.

Parent Broadcast

At various times throughout the school year we will send important information home via phone using the Onecallnow broadcast system. This system allows for the dissemination of information without written notices sent home. The Onecallone broadcast system pulls phone numbers from our Infinite Campus student information. We can use multiple phone numbers, i.e. home phone, cell phones, and work numbers. Thus, it is of vital importance that school has your correct phone number. Please contact our school office, 874-6300 for phone number changes and additions.

Email (through Onecallnow)

In our continual effort to go green, Collegiate Academy is striving to go paperless. To that end we will use email as one of our two main systems for communication with our parents and students. It is imperative that we have you most current email to maintain a strong relationship between home and school. Please contact our school office, 874-6300 for email changes and additions

Email to Teachers

Email is the preferred method of communication with our teachers. Virtually all addresses are easily accessible through our website www.collegiateacademy.com under the **Staff** tab. Teacher's addresses are also located in Infinite Campus within your student's schedule/grade area.

Attendance

Early Dismissals

All appointments should be scheduled after school hours. In the event that this is not possible, students: must bring a written note from a parent/guardian to the Attendance Office before homeroom. He/she will receive a yellow excusal slip to present to teachers for dismissal and re-entry.

Students must bring verification of appointment to the Attendance Office when they return to school or time away will not be considered legal. Major assignments are expected to be turned in on the due date, regardless of absence. (Parents should call the school the morning of a student's absence to request the day's assignments, which may be picked up in the school office at 3:00.) Students are not permitted to make up work or tests for unexcused days of absence. Homework assignments are due upon return to school.

Responsible students will have work sent in to school on the day it is due with a parent or another student.

Absences

Upon returning to school from an absence, a written note from the parent/guardian must be presented to the homeroom teacher explaining the absence. If excuses are not submitted within three (3) days, the absences will be marked illegal. When a student accumulates ten (10) days of absences within one school year, the student must submit a written excuse from a physician for all subsequent absences due to medical illness. If a student fails to submit a physician's those absences will be considered illegal. The accumulation of three illegal absences shall trigger the start of truancy prosecution, which leads to charges being filed with the District Judge.

Major assignments are expected to be turned in on the due date, regardless of absence. Parents should call the school the morning of a student's absence to request the day's assignments, which may be picked up in the school office at 3:00. Students are not permitted to make up work or tests for unexcused days of absence. Homework assignments are due upon return to school.

Responsible students will have work sent in to school on the day it is due with a parent or another student.

Illness During the Day

If students become ill during the day, they should ask permission from the classroom teacher to see the nurse. If the nurse is not available, students should report to the main office. Students must have a pass to see the nurse.

Students are not permitted to leave Collegiate Academy at any time during the school day without permission from an administrator.

Computer Use

This policy is subject to annual change according to the assessment of the school district solicitor. Parents will receive a copy of this policy the first week of school.

97 – 100	4.5	97 – 100	5.5
93 - 96	4.0	93 – 96	5.0
89 - 92	3.5	89 - 92	4.5
85 - 99	3.0	85 - 88	4.0

Grade point averages will not be rounded for the Honor Roll.

For example: 3.75 = Magna Cum Laude

In order to be eligible for the Honor Roll, students must pass all classes with a minimum of 70%

How to Calculate GPA

1. Look at percentage grade for course.
2. Write grade point value – take half for ½ credit courses.
3. Add all values.
4. Divide by total credits for quarter.

9th Grade Student - SAMPLE

Class	Percentage	Credit	Grade Point Value
Ceramics	92	½	(3.5) ½ = 1.75
Piano	98	½	(4.5)1/2 = 2.25
Chorus	97	1	4.5
Biology	93	1	4.0
Spanish	78	1	2.5
Algebra	91	1	3.5
Civics	81	1	2.5
Lang. Arts	93	<u>1</u>	<u>4.0</u>
		7	25.0

25 divided by 7 = 3.57

Graduation Requirements

A minimum of 29.0 credits is required for graduation, and includes the following:

Language Arts	4.0 credits
Mathematics	4.0 credits
Social Sciences	4.0 credits
Science	4.0 credits

Re-Test Policy

- This policy has been developed to assist all students in achieving proficiency/mastery in all curricular areas. Below is an outline of our Re-Test Policy.
- The Re-Test must be completed within 3 weeks from the original test date.
- A minimum of one required study session must be scheduled during special help night in order for a student to Re-Test.
- The Re-Test will be scheduled before or after school unless other arrangements have been made. A 20-80% formula will be used to determine the final test grade. The teachers will use 10% of the lowest test grade plus 80% of the highest test grade for the final grade. The students and teachers will complete the final test grade together

Homework

Homework is an important activity that contributes to student educational progress. By definition, homework is a task initiated and/or motivated in the classroom related to the objectives of the course studied, which is normally completed out of class. Homework may take the form of additional practice on exercises, reading of material on a specific subject, in-depth exercises, in-depth follow-up of classroom activities, or independent project work related to the subject.

When students are absent it is their responsibility to meet with each teacher to find out what was missed.

- **Freshmen and first semester sophomores** who fail to turn in homework on the given date will be given a detention. Students will have an opportunity to turn it in by 8:10 the next morning for 50% credit. Failure to turn in homework will result in receiving a zero for the assignment and homework will still have to be completed and a detention will be given.
- **Juniors and seniors** who fail to turn in homework will receive a zero for the homework and will not have the opportunity to make up the assignment.

Each student must strive every day to reach maximum personal excellence. Schoolwork is part of personal excellence. It requires that all work represent the original efforts of the individual student. This includes, but is not limited to, the following unacceptable behaviors:

- Copying any part of an assignment prepared by another student.
- Looking at someone else's test or quiz.
- Allowing another student to copy work or look at one's test or quiz.
- Copying from another student's test or quiz.
- Using notes, text, or any form of 'cheat sheet' on a test without permission.
- Plagiarizing another's work includes the use of speech/commentary of another person, text(s), Internet site(s), or any other source without providing appropriate source reference and citation.
- Violation of any of the above will result in a zero for the assignment or test and a Saturday detention will be assigned. Further violations may result in failure of the course and possible withdrawal from Collegiate Academy.

Honor Roll

Students are recognized each quarter on the honor roll bulletin board in the front hall for grade point averages in each of the following categories:

Summa Cum Laude	4.0+
Magna Cum Laude	3.5 – 3.99
Cum Laude	3.0 – 3.49

Grade point averages will not be rounded for determining honor roll status. A failure in any class, regardless of overall grade point average, makes a student ineligible for honor roll.

- **Academic Excellence Ceremony** Students who have achieved honor roll status each of the first three (3) quarters will be invited to attend the Academic Excellence Ceremony in May.

Lockers and Locks

Students will receive locker and lock assignments from their homeroom teachers. Each student is responsible for the contents of the locker assigned. Students may not use any other lock than the one issued by the school. **All lockers and locks are the property of the Erie School District. Please do not use any type of tape on lockers.** Students who do not return their assigned lock to the homeroom teacher at the end of the school year will be assessed a \$10.00 fee for replacement.

Student Senate

The Collegiate Academy School Government is a collaborative body comprised of the School Administration (Dean and Associate Deans), the Faculty Senate (Faculty Advisors and Department Representatives), the Student Government (Student Senate President, Class Vice Presidents and Homeroom Representatives) and the Parent Advisory Board. The unique feature of Collegiate Academy's School Government is the Student Government branch. The Student Senate is the steering committee and decision-making body for all student activities. All nine elected members of the Student Senate participate in a yearlong class titled "Leadership, Decision-making and Strategic Planning". The course will explore a variety of governing styles and structures prevalent in education, business and local government. Student Senate representatives will plan and coordinate all student sponsored projects and activities in conjunction with elected homeroom representatives. This body will work cooperatively with the School Administration, the Faculty Senate and the Parent Advisory Board to govern Collegiate Academy. The goals of the Student Government branch of the Collegiate Academy School Government are to effectively manage student affairs, generate student input for all relevant school issues and provide valuable leadership experience and training for the students involved in Student Government.

Statement of Behavioral and Ethical Expectations

The Northwest Pennsylvania Collegiate Academy, along with its Administration, has a legitimate interest in enhancing and protecting its unique school culture. Our culture is deeply rooted in our mission and belief statements which are designed to encourage scholarship in a collegial environment. Collegiate Academy strives to establish and maintain order within our school community which is consistent with these philosophies and mission. Therefore, it is the understanding of each student that continued attendance at Collegiate Academy is based on the ongoing privilege of being a contributing member of this unique academic community. A student's failure to comply with the philosophy, mission and behavioral expectations of Collegiate Academy may lead to his/her revocation of the privilege of attending Collegiate Academy. Thus, as vested member of this community, a student will not only abide by its philosophies, mission, and expectations, but also to adhere to the Erie's Public Schools Student Code of Conduct. Violations of the provisions contained in the District's Student Code of Conduct, will revoke a student's privilege to continue to attend Collegiate Academy and he/she will have to return to their home school.
