

# UPMC WESTERN BEHAVIORAL HEALTH AT SAFE HARBOR FULL SERVICE COMMUNITY SCHOOL CASE MANAGEMENT

The Full Service Community School Case Management (FSCS CM) program helps students overcome barriers that may interfere with academic success at school. The grant-funded program is available through the United Way's community schools in Erie:\*

- Edison Elementary School
  - McKinley Elementary School
  - Pfeiffer-Burleigh Elementary School
  - East Middle School
  - Strong Vincent Middle School
- \*Services expanding to all Erie public schools during the 2021-2022 school year

#### Goals of the program include:

- Increasing social, health, and mental health services and supports
- Increasing overall school attendance and decreasing truancy and chronic absence
- Increasing family and community engagement and supports

#### Services are available to all family members at no cost and include assistance with:

- Basic needs
- Clothing
- Food
- Shelter
- Employment
- Transportation
- Mental health services
- Accessing community resources
- Education support

Appointment times and locations are flexible. For more information, call UPMC Western Behavioral Health at Safe Harbor at **814-459-9300**.
