# Using i-Ready Online Instruction at Home

Dear Parents/Guardians,

Your children can continue their learning with i-Ready at home! i-Ready provides personalized academic and enrichment activities to meet your student's specific needs. These i-Ready instruction lessons will support students' growth, development and Math/Reading grade-level readiness.

By working on the prescribed (**green button**) and teacher assigned (**blue button)** i-Ready lessons, your child will be addressing individual skill deficits and key grade level skills/standards that will help ensure they are proficient on prerequisite skills for next year.

All you need to get started are a computer, internet, Adobe Flash Player, and the following:

- Run a **system check** on your computer at: http://www.i-ready.com/support/
- **Website:** https://login.i-ready.com
- **Student Username:** _____
- **Student Password:** _____

In support of i-Ready, please monitor your child's usage and provide assistance when necessary. You may check your child's progress by having the student log in and click the ***"My Progress"*** tab. Here you will be able to see exactly what skills your student has been working on and how he/she is doing.

Have further questions about i-Ready or want to know how to best support your child?

- Check out the new i-Ready Family Center! (URL is - http://i-readycentral.com/familycenter)

Happy Learning!
