

Need assistance with completing your 2020-21 FAFSA®?

PHEAA can help!

PHEAA Access Partners are available for one-on-one virtual Free Application for Federal Student Aid (FAFSA®) sessions every **Wednesday in May from 9:00 AM – 4:00 PM**. This opportunity is available to **current 2020 high school graduates and others** who are planning to enroll at a postsecondary institution in the fall of 2020 or spring of 2021.

In order to give students and families more flexibility during the COVID-19 pandemic, PHEAA extended the May 1 PA State Grant application deadline by 2 weeks to **May 15 for the 2020-21 Academic Year**.

Note: Current high school juniors and other students planning to enroll at a postsecondary institution in the fall of 2021 or spring of 2022 will have the appropriate FAFSA available to them this coming October.

Completing the FAFSA

FAFSA completion is one of the most important steps students can take to find funding for their postsecondary education, including aid from the federal government, state government, and most postsecondary schools.

FAFSA Checklist

A FAFSA Checklist, available at [PHEAA.org](https://www.pheaa.org) will help ensure you have everything needed to complete the application.

Need Help?

Have a FAFSA question or need one-on-one FAFSA support? Schedule a virtual FAFSA Session for any Wednesday in May. Call or text to connect with the PHEAA Access Partner who is serving your region.
