

Covid Exposure Information for Families:

Erie's Public Schools has been contacting all parents/guardians of exposed COVID cases. Only those students who were directly impacted by a COVID case will be informed and given appropriate guidelines.

Safety Precautions In Place:

- ✓ Masks are required for all students, staff, and visitors.
- ✓ The school nurse is screening students. Any child that comes to school and exhibits COVID like symptoms will be sent home and given instructions for how they can return to school.
- ✓ The District Pandemic Coordinator is constantly contacting the Erie County Department of Health for updates and guidance for handling suspected or confirmed COVID cases.
- ✓ If you have further questions related to COVID-19 please contact the District Pandemic Coordinator, Mr. Brokman, at 814-874-6123 or by email at nbrokman@eriesd.org.
