May 7, 2020

Dear Seniors and Families,

This has been an unusual end of your senior year, but we know how hard you've worked these past four years, and we want to celebrate you!

This year's graduation ceremony will be a combination of virtual and in-person components. Remarks from the Superintendent and Mr. Orlando, student speeches, and turning the tassel will be pre-recorded and added to the footage of students receiving their diplomas. A video of the full ceremony will be available at a later date.

The in-person component, where you will receive your diploma and have the opportunity to take pictures in your cap and gown, will take place in small groups, which will be scheduled alphabetically by last name. Following Health Department guidelines, **students may bring two (2) guests** with them into the building to watch the ceremony and take pictures. Please leave all balloons, signs, and gifts in your vehicle or at home; no outside materials will be allowed into the building.

Please follow this schedule of events:

- May 12 & 15 – Seniors will receive an assigned date/time to clean out their lockers, return books and calculators, and pick up their caps/gowns and yearbooks. Bring a bag with you to take home belongings. A limited quantity of caps/gown are available for purchase if you have not yet done so. The cost is \$55 cash (exact change only). Students must return athletic and JROTC uniforms.
 - **See schedule below**
- May 22 – Senior grades are due.
- May 26-29 – Students will receive an assigned date/time to pick up their diplomas at Erie High School. Students must have a cap/gown to participate in the ceremony. Please park in the rear lot and enter through the small gym. Students may bring 2 guests with them.
 - **See schedule below**

Because of state mandates, and to ensure the health and safety of all students and staff, we will be enforcing social distancing. **Anyone entering the building will also be required to wear a face mask/covering.** Please follow all signs and floor markings at the school to ensure that distance is maintained. Students will move through stations to get their pictures taken, cross the stage to receive their diploma, and pick up a senior gift. Staff will guide students and staff through the stations.

*If any student or guest is feeling sick on any of these days, please do not come to the school. A staff member will take your temperature before you enter the building.

Senior Pick-Ups

- Station 2: Go to your locker with a bag to take home your belongings. Throw away garbage in cans in the hallway. **LEAVE YOUR LOCK ON THE LOCKER.**
- Station 3: Back of library – textbook drop-off. Drop off books by subject in the back of the library.
