**NEXT MEETING IS APRIL 13 AT 5:30PM IN THE LIBRARY (refreshments will be provided):**

**Samsung:**

- We discussed how we could easily support Collegiate trying to win \$120,000 by voting regularly.
- We will continue to spread the message about voting using the email and alumni facebook pages.
- Voting ends March 25<sup>th</sup> and it is very easy to vote at:

**Academy on Parade**

- “On Parade” will be Friday March 27 at 7pm. Cost is \$5 at the door.
- Alumni are encouraged to attend!
- Because some alumni from Collegiate and “Old Academy” will be there, we will have a table where we can sell concessions and distribute information about our group.
- Kim Davis will write up a draft of what will be distributed.
- If you would like to help out and be at the table selling concessions, please email [kimdavis@eriesd.org](mailto:kimdavis@eriesd.org)

**Newsletter**

- The students are doing well with their work on the newsletter, and Jon K & Kim D are impressed with their work so far.
- The next meeting in April will focus on giving feedback on the newsletter.
- Students will, ideally, have most of the work done by Mid-April, so that the magazine can be released in early May.

## Summer Events

- We discussed two summer events:
  1. Waldameer. It is thought that late June would be a good day to aim for. Dakota P. will look into more information on this topic.
  2. Golf tournament. We would like to do an 18-hole scramble followed by a dinner in July. Golf courses aren't open at this time, and we planned this somewhat late. This year: our goal is to have a simple, fun time. Golf, beer, dinner. Because of the beer, though, this will be restricted to anyone 21 or older. This will be a good way to raise funds. When golf courses open in early April, we can start to seriously consider our options.

## **Miscellaneous:**

- We have taken out an ad to support *Joseph and the Amazing Technicolor Dreamcoat*. The play will run April 17 & 18 at Academy. It was determined that we would use our funds to reimburse Kim D 100% of her cost.
- Our Linked-In page is doing well. We need to continue to promote that and our database.
