

1. Erie High School

Average overtime to cover activities & Cleanup after games (including but not limited to: Basketball; wrestling; football; and volleyball) on Saturday / Sundays = **12** hours per weekend.

2. Northwest Pennsylvania Collegiate Academy

Average overtime time accounted for - Plays, Football and Soccer dinners, Robotics, Sophomore Lockdown, ACT/SATs, Excellence Ceremony, Recruitment Open House. These hours are not weekly, which means in the end it becomes 1.5 hours per week of overtime.

3. East Middle School

Average overtime to cover activities & Cleanup after games (including but not limited to: basketball and dances) on Saturday / Sundays = **6** hours per weekend.

Just games and dances on the weekend as needed as no weekday after school activities require overtime.

4. Strong Vincent Middle School

Average overtime to cover activities & Cleanup after games (including but not limited to: basketball and dances) on Saturday / Sundays = **6** hours per weekend

Added: Erie Philharmonic is housed at Strong Vincent. They typically have three or four events throughout the school year. They host various concerts. They pay the district a fee. The Erie Phil consistently uses classrooms, too.

Added: Gannon and Highmark (Community Schools Partners) have two or three events each semester on Saturdays.

Added: Various community activities use our library, auditorium and cafeteria. Maintenance staff has to open and close the building as well as clean up after they leave. (Our West Bayfront, Gannon University, Erie Ballet, Footlights)

5. Woodrow Wilson Middle School

Average overtime to cover activities & Cleanup after games (including but not limited to: basketball and dances) on Saturday / Sundays = **6** hours per weekend

Bank Time- Nov 1 thru Feb 28, 2 Hours per weekend

Basketball practice/dance/lego league- 2.5 to 3 hours per day Mon-Thursday

Baseball Practice 4-6 hours or till weather breaks- couple days a week some weekends

School dances /X-Mas concert/spring concert 6-8 hours

Basketball games at night and weekends

Some night time functions Example: Snapa Meeting in cafeteria

6. Diehl Elementary School

*Overtime is very minimal during the year

Activities include: After school Programming (GEARS, Carpe Diem)
Weekend building check at Diehl and Burton during boiler season
Elections – **as required**

7. Edison Elementary School

After school programming while it's "boiler season" means overtime for our engineer. Overtime is approximately **9.5 hours a week in Quarters 2 and 3** (while boilers are on) for after school programming, including intramurals, with an additional **4 hours for one family night** in the 2nd or 3rd quarter

8. Grover Cleveland Elementary School

Grover Cleveland is a steam building which means any activity where the heat is on, the engineer has to be present (GEARS/Carpe Diem 2:30-5:30 Mon- Thur), bank time on weekends (1 hour at GC and 1 hour at Irving both Saturday and Sunday), every once in a while a PTSA movie night, Title family night, or nondistrict facility request use (auditorium for the Indian Festival)

*In the winter, 1 week OT = 3 hours x 4 days (GEARS)= 12 hours
2 hours Saturday and 2 hours Sunday (bank time) = 4 hours

16 OT hours a week in winter months with boiler

9. Harding Elementary School

*Overtime is very minimal during the year

10. Jefferson Elementary School

*Overtime is very minimal during the year

11. JoAnna Connell Elementary School

September 27th @ 7:30 Outdoor movie night - 3 hours
October 24th Trail of Treats. - 3 hours
January 30th Multicultural Night 6:00- 3 hours
May 8th Someone Special Dance 6:30-8:00 - 3 hours
June 5st 5:30-8:00 School Carnival. - 4 hours

12. Lincoln Elementary School

*Overtime is very minimal during the year
Building checks during heating season (usually 2nd and 3rd ¼'s)
Bhutanese Celebrations (2x a year-approx. 20 hrs.)).

Parent Teacher conferences (approx. 5 hrs)
Open house (approx. 5 hrs.)
Parent Involvement events (I.e.-trail of treats, movie night, etc.)

13. McKinley Elementary School

*Overtime is very minimal during the year

14. Perry Elementary School

*Overtime is very minimal during the year – Only during the winter months when the building engineer does boiler checks.

15. Pfeiffer-Burleigh Elementary School

*Overtime is very minimal during the year, with building engineer averaging 3-5 hours per month. These events are based on the activities required of the school being a Community School. Those events are family fun nights, Title I nights as examples.

16. Patrick J. DiPaolo Student Success Center at Emerson-Gridley

*Overtime is very minimal during the year – Only during the winter months when the building engineer does boiler checks.
