

COMMUNITY CIRCLE: A CONVERSATION ABOUT BULLYING

Erie's Public Schools invites all members of the public to join in a districtwide, solutions-focused conversation about bullying. The conversation is the first in a series of Community Circles, periodic events aimed at bringing together all members of the EPS community to better inform district decision-making.

Principals will be on hand to facilitate small-group discussions, with the aim of gathering constructive feedback on how the district can continue to improve culture and climate in our schools. That feedback will be used to shape parental education programs and other outreach efforts the district will offer in 2019-20.

Participants will also have the opportunity to learn about the support services, anti-bullying programs and other efforts to promote positive behavior the district already has in place, and about plans to expand those efforts in 2019-20.

Refreshments will be provided.
