

THIRD QUARTER INSTRUCTION CALENDAR

FEBRUARY 2021 - APRIL 2021

Dear EPS Family,

Based on newly updated guidance from the Pennsylvania Departments of Education and Health and following consultation with the Erie County Department of Health, Erie’s Public Schools will resume hybrid instruction for those elementary school students (preK-5) who previously elected to participate in the hybrid model.

In October, Erie’s Public Schools asked families of elementary school students to fill out a survey indicating whether their child(ren) would participate in hybrid or 100 percent remote learning. Students who elected hybrid learning were assigned to either the “gold” or “purple” group to determine their schedule.

Under the hybrid model, gold and purple groups attend in-person and remote classes on alternating weeks: Students in one group attend school in person on Monday through Thursday while students in the other group participate in remote instruction that week. All students participate in remote instruction on Fridays.

In-person instruction for students assigned to the purple group will begin Monday, February 1.

In-person instruction for students assigned to the gold group will begin Monday, February 8.

Should you have any questions regarding hybrid, remote or cyber instruction, please contact the assistant superintendent’s office at 874-6015.
