

LINCOLN ELEMENTARY SCHOOL
Title I Family Engagement Policy
2021-2022

The School District and Lincoln Elementary School are committed to the belief that all children can learn and acknowledge that parents share the school's commitment to the educational success of their children.

We feel the key to our success is working together as a team. Parents, teachers and administrators meet yearly and work together in planning, reviewing, and improving our Title I Family Engagement Policy/Compact.

The school district and Lincoln school hold annual meetings to explain the Title I program, the requirements of the program and the parents' rights to be involved. It will include the state's academic achievement standards, student achievement standards and school assessments. Parents will be informed of how to monitor student progress through the use of infinite campus to help improve achievement.

Here at Lincoln, we hold meetings with parents and staff to help develop and implement our Title I Family Engagement Policy/Compact and our Title I School Level Plan. These meetings are held on different days and different times throughout the school year. We also hold parent conferences in November where parents can meet with teachers. Parents are encouraged to schedule other meetings throughout the year if deemed necessary to review their child's academic achievement, standards and assessments.

We also encourage parents and teachers to keep the lines of communication open between home and school. Appropriate trainings, programs, and activities will be offered for parents throughout the year to enhance family engagement activities using Title I funds. This will help parents become more involved and fully participate in their student's education. These parent activities will reflect the needs of the students and families and will be held at different times during the day to accommodate parents' schedules. Our Title I Program will provide a guideline for designing quality and relevant experiences/activities for students, families, and staff. The Family Engagement Policy will include a school-parent compact and support the development, implementation, and regular evaluation of the family engagement program by parents.

At Lincoln School, we ensure the implementation of effective instructional practices to increase academic growth that is data driven.

We will continue to increase our communication and family engagement using Schoology, zoom meetings, phone calls, one call, newsletter, email, class dojo, parent meetings, progress reports, events/activities and the availability of our multicultural resource center located in our main office at Lincoln School. We will make all attempts to translate documents using translator and our ELL teacher. Parents will have unlimited access to the Erie School District Parent Portal to review the curriculum, updated news and may seek further assistance from staff, if necessary.

LINCOLN ELEMENTARY SCHOOL

Title I Parent Compact

2021-2022

SHARED RESPONSIBILITIES FOR HIGH STUDENT ACADEMIC ACHIEVEMENT: At

Lincoln we recognize that a child's education is a responsibility shared by the school and family and agree that to effectively educate all students, the school, parents, and students must work as partners. We define parent and family involvement as an on-going process that assists parents and families to meet their basic obligations as their child's first educator. We will promote a clear two-way dialogue between home and school and support parents as leaders and decision makers at all levels concerning the education of their children. This compact was jointly developed with parents and teachers, working together as equal partners.
