

You will need your student's unique Schoolology access code that was sent to you via the USPS or your email

Create **your own Schoolology account** so you can help keep your child on track in four simple steps:

1. Go to www.schoolology.com and find the sign up drop-down menu and click parent:

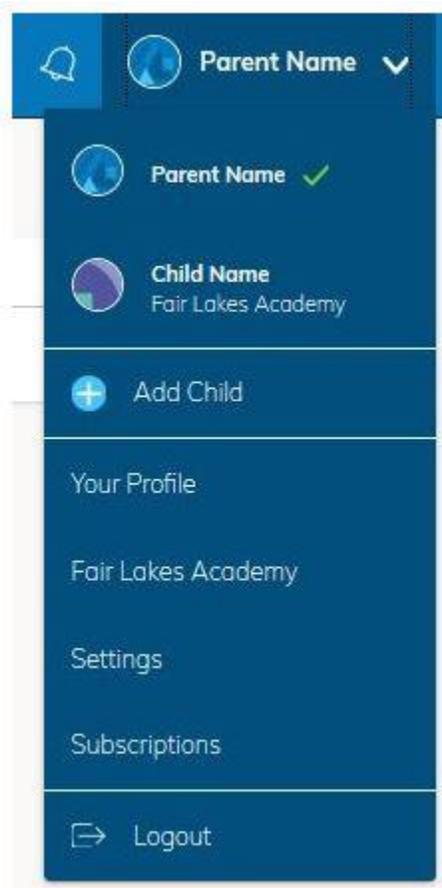

2. Type your student's unique access code exactly as it appears here: (parent access code)

There is a checked checkbox for 'Subscribe me to the Schoolology Exchange blog' and an unchecked checkbox for 'By clicking Register, you are agreeing to our Privacy Policy and Terms of Use'. A blue 'Register' button is at the bottom.

4. Once you are logged in, you will be able to browse your child's activity by clicking the arrow to the right of your name and selecting your child's name from the top right drop-down menu:

That's it! Wilson's webpage will have a link to a sign-up video as well as other helpful information from Schoology-click the "Parents" tab to find them. If you have other children in other Erie School District schools, you will be able to add them by clicking the "Add Child" link on the drop-down menu.

If you need to update your email address, please either call Wilson at 874-6600 or email any of your children's teachers. They will make sure the information is updated and you won't miss out on any important information!

We appreciate your help at home keeping your child on track-please reach out to any of your child's teachers if you have questions or concerns about their academics.
