

Algebra 1 Syllabus

Ms. Fawn Fletcher

Ffletcher@eriesd.org

Room F109

Course Description:

Students will apply their previous mathematical skills to develop a deeper understanding of various algebraic concepts. This course should prepare students to take the keystone exam later this year.

Course Materials:

- Reveal Math Accelerated Consumable, notebook/paper, folder, pencil, and school-issued Chromebook to access Infinite Campus, Schoology, ALEKS, and McGraw Hill programs.

Rules/Expectations:

- Be prepared and ready to learn.
- Respect others, yourself, and your surroundings.
 - No electronics (phones, airpods, etc) during instructional time.
- Listen and follow directions.
- Display an effort by participating in class, completing assignments on time, and asking for help when needed.
- No passes will be given to those that are tardy. No exceptions. Passes are reserved for those that come on time.

Grading:

- Grades will be calculated as follows:
 - Classwork:** 30%
 - Tests:** 40%
 - Quizzes:** 20%
 - ALEKS:** 10%
- Grades will be based on either completion, accuracy, or a combination of both.
- Work must be shown. Points may be deducted for not showing work.
- If cheating is discovered, every participating member will receive a 0 on that assignment and be subject to disciplinary actions.
- Talking during an exam/quiz may also result in the confiscation of the exam/quiz and the exam/quiz will be graded on what has been completed or a 0.
- I will accept all classwork assignments (except ALEKS) up to 1 week after the due date.

Course Modules:

- | | |
|-----------------------------------|---|
| 1. Expressions | 7. Systems of Linear Equations & Inequalities |
| 2. Equations in One Variable | 8. Exponents and Roots |
| 3. Relations and Functions | 9. Exponential Functions* |
| 4. Linear and Nonlinear Functions | 10. Polynomials |
| 5. Creating Linear Equations | 11. Quadratic Functions* |
| 6. Linear Inequalities | 12. Statistics |

****Everything is subject to change according to teacher discretion. ****

Dos

- Do show up on time and be ready to work.
- Do put your name on your paper and turn it in to the proper place on time.
- Do keep your hands, feet and other objects to yourself at all times.
- Do check your grade in Schoology regularly.
- Do respect everyone and everything.
- Do clean up your area and put everything neatly under your chair, push your chair in.
-

Don'ts

- Don't play your sound out of your phone to where other people can hear it.
- Don't cross the red tape.
- Don't throw objects.
- Don't move desks or other objects.
- Scream or talk over people.
-

PBIS:

Students can earn points each block for being responsible, respectful, and resilient.

Be Respectful- 3 points for completing an academic task

Be Responsible- 3 points for arriving to class on time

Be Resilient- 3 points for having their phone silent and away during the entire class period/ **Bell to bell**
