

Logging into schoolwires

To log into schoolwires by visiting Erie's Public Schools homepage found here: <http://www.eriesd.org/>

Once the page has loaded you can sign in by clicking the "Sign In" button found in the top right of the browser on the blue bar.

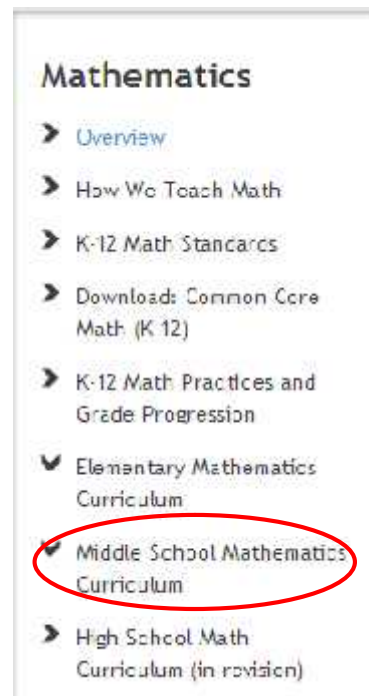

You user name and password are the same username and password you use to access your computer.

After you have signed in you can find the Mathematics Curriculum by hovering on "Academics" on the yellow bar and clicking on "Mathematics" in the dropdown.

On the left side of the page click the link labeled "Middle School Mathematics Curriculum" to continue to grade levels.

This page gives the general public the ability to view an overview of the Middle School Math curriculum and links to individual grade levels for a more detailed description.

On this page you will find a scope and sequence for the grade level curriculum, as well as an overview description of what students will learn during their time in this grade.

Click on the Unit to view District Approved Curriculum Unit Overviews.

To view a Middle School curriculum click on one of the grades below

Materials Page

As an Erie's Public School teacher or administrator you will be able to access additional files and resources, once signed in, which are **not** available for the general public.

You can identify which page you are currently on because it will be highlighted in **blue**. The Materials page will not be available if you are **not** signed in. Once signed in, clicking on Materials will reveal the unit resources that are provided for teachers and students for the Grade Level Unit.

The Materials page is used to access files or resources related to a particular unit within a specific grade. These files **are** restricted to only teachers and administrators who are logged into schoolwires. Below is an example of what a Material page may look like.
