This page gives the general public the ability to view an overview of the Middle School Math curriculum and links to individual grade levels for a more detailed description.

To view a Middle School curriculum click on one of the grades below:

- Grade 6
- Grade 7
- Grade 8
- Algebra 1

Additional Teacher Resources

- CMP2 Parent Letters
  - CMP2 Parent Letters.pdf, 7.4 MB (Last Modified on December 3, 2013)

The Public will not be able to see any of the Additional Teacher Resources.

On this page you will find a scope and sequence for the grade level curriculum, as well as an overview description of what students will learn during their time in this grade.

Grade 6 Units of Study

- Unit 1 - Select Time and Bits & Pieces II
- Unit 2 - Select Covering & Surrounding and CMP2 Common Core Investigation 4
- Unit 3 - Bits and Pieces III
- Unit 4 - Select Data About Us and CMP2 Common Core Investigations 3 & 5
- Unit 5 - Select Variables and Patterns and CMP2 Common Core Investigations 1 & 2

You can also find links to the individual units, routines, and resources for teachers and administrators.

As an Erie's Public School teacher or administrator you will be able to access additional files and resources, once signed in, which are not available for the general public.

You can identify which page you are currently on because it will be highlighted in blue. The Materials page will not be available if you are not signed in. Once signed in, clicking on Materials will reveal the unit resources that are provided for teachers and students for the Grade Level Unit.
The Materials page is used to access files or resources related to a particular unit within a specific grade. These files are restricted to only teachers and administrators who are logged into schoolwires. Below is an example of what a Material page may look like.
