As an Erie's Public School teacher or administrator you will be able to access additional files and resources, once signed in, which are **not** available for the general public.

You can identify which page you are currently on because it will be highlighted in blue. Portions of the Resources page will not be available if you are **not** signed in. Clicking on Resources will reveal the module resources that are provided for teachers and students for the Grade Level Module.

The Resources page is used to access files or resources related to a particular module within a specific grade. These files are usually restricted to only teachers and administrators who are logged into schoolwires. Below is an example of what a Resource page may look like.
