

PSSA Conversion Chart

The information below should be used by potential applicants to schools which have academic criteria for admission. Specifically, these schools list a minimal PSSA Local Norm Percentile which students must meet or exceed in order to be considered for admission to the school. Each percentile, in the left hand column, correlates with the 2015 grade level English Language Arts (ELA) and Math PSSA scores.

| Percentile | 3rd Grade 2015 PSSA Current 4th grade student applying for 5th grade admission | | 4th Grade 2015 PSSA Current 5th grade student applying for 6th grade admission | | 5th Grade 2015 PSSA Current 6th grade student applying for 7th grade admission | | 6th Grade 2015 PSSA Current 7th grade student applying for 8th grade admission | | 7th Grade 2015 PSSA Current 8th grade student applying for 9th grade admission | | 8th Grade 2015 PSSA Current 9-11th grade student applying for 10th-12th grade admission | |
