

The information below should be used by potential applicants who are applying to schools which have academic criteria for admission. Specifically, these schools list a minimal PSSA Local Norm Percentile which students must meet or exceed in order to be considered for admission. Each percentile, in the left hand column, correlates with the 2016 grade level English Language Arts (ELA) and Math PSSA scores.

Percentile	3rd Grade 2016 PSSA Current 4th grade student applying for 5th grade admission		4th Grade 2016 PSSA Current 5th grade student applying for 6th grade admission		5th Grade 2016 PSSA Current 6th grade student applying for 7th grade admission		6th Grade 2016 PSSA Current 7th grade student applying for 8th grade admission		7th Grade 2016 PSSA Current 8th grade student applying for 9th grade admission		8th Grade 2016 PSSA Current 9-11th grade student applying for 10th-12th grade admission
