

The screenshot shows the 'My Classes' dashboard interface. At the top is a blue 'MENU BAR' containing navigation links for 'Latest news', 'Support', 'Help', and 'Send Feedback', along with a user profile icon. Below this is a 'TOOLBAR' with a '+ Add Class' button. The main content area is divided into two sections: 'PINNED CLASSES' and 'OTHER CLASSES (UNPINNED)'. The 'PINNED CLASSES' section contains two class cards: 'art - grade 5 - room 15' (5 students, Local) and 'art - grade 5 - room 15 - monday 2:30 pm' (10 students, Local). The 'OTHER CLASSES (UNPINNED)' section is expanded, showing a grid of ten class cards. A callout 'HIDE/SHOW UNPINNED CLASSES' points to a dropdown arrow next to the 'OTHER CLASSES' header. A callout 'OTHER CLASSES (UNPINNED)' points to the grid of unpinned class cards.

Classwise Login: Sign in with Google

<https://classroom.us-1.familyzone.io/login/ZD8Xv8PSKf>

HOME
Select Home to return to the My Classes dashboard.

LATEST NEWS
View the latest Classwise release notes and announcements.

SUPPORT
Get help from your school's IT Support Team.

HELP
Access online help directly within Classwise.

SEND FEEDBACK
Send feedback and suggestions for improvement.

SYNC
Synchronize your classes with Google Classroom.

ACCOUNT SETTINGS
Change your displayed username or sign out of Classwise.

ADD CLASS
Create a new local teaching or monitoring class.

CLASS TYPES

 Scan or select this QR code for more details about Class Types.

LOCAL

Local

Add a Local class from your Classwise dashboard. You can control which students are in the class and when the class starts and ends. To add a local class, select **+ Add Class**, then select **Teaching Mode**.

 Scan or select this QR code for more information on how to add local classes.

SYNCED

Google Classroom

Know which classes are automatically synced from your School Information System. Your manual changes will be available until the next sync.

MONITOR ONLY

Monitoring Class

Create a type of local classroom to permit a staff member to monitor student activity. Staff cannot access class Rules or Tools, except Modify Students. To add a monitor-only class, select **+ Add Class**, then select **Monitor Mode**.

 Scan or select this QR code for more information on how to add monitor-only classes.

HEAD COUNT

The number of students in the class

Art - Grade 5 - Room 15 - Monday 4:30 PM
10 students Local
Class until 05:20 PM
Invite Code: C9RU

PIN/UNPIN CLASS

Select Pin Class to pin the class to the top of the My Classes dashboard. Deselect to unpin the class.

DURATION

Shows when the class ends. You can adjust the duration of unscheduled classes by selecting the Duration button, while scheduled classes can only be changed on Class Settings.

RENAME CLASS

Change the name of the class. You can use up to 50 characters including capital and lower case letters, numbers, special characters and spaces.

CLASS SETTINGS

STUDENTS

Class settings - art - grade 5 - room 14 - Monday 1:30 pm
my local class
Students Teachers Scheduling Invitation Code
Here you can customise class membership. As the owner of this class you are able to add and remove students.
Class Membership
Enter student name to see matches
Adrian Fischer - student1@school.com
Danielle Bernard - student2@school.com
Alicia Moreno - student3@school.com
Kaylee Wright - student4@school.com
Delete Class Save

Enter and select the names of students in the **Class Membership** field to add them to the class.

TEACHERS

Class settings - art - grade 5 - room 14 - Monday 1:30 pm
my local class
Students Teachers Scheduling Invitation Code
Here you can add or remove teachers that can manage this class. Teachers added here will see this class in their Classwise dashboard.
Teacher(s) of this class
Enter teacher name to see matches
Jake Sisko - teacher1@school.com
Substitute Teacher - substitute@school.com
Delete Class Save

Enter and select the names of teachers in the **Teacher(s) of the class** field to add them to the class.

SCHEDULING

Class settings - art - grade 5 - room 14 - Monday 1:30 pm
my local class
Students Teachers Scheduling Invitation Code
Class schedules define when you teach a particular class. When using schedules, Classwise automatically starts the class session for you.
Add Schedule
Monday 13:30 14:30
Delete Class Save

Select **Add Schedule** to add a recurring schedule. Classwise will automatically start and end scheduled classes for you.

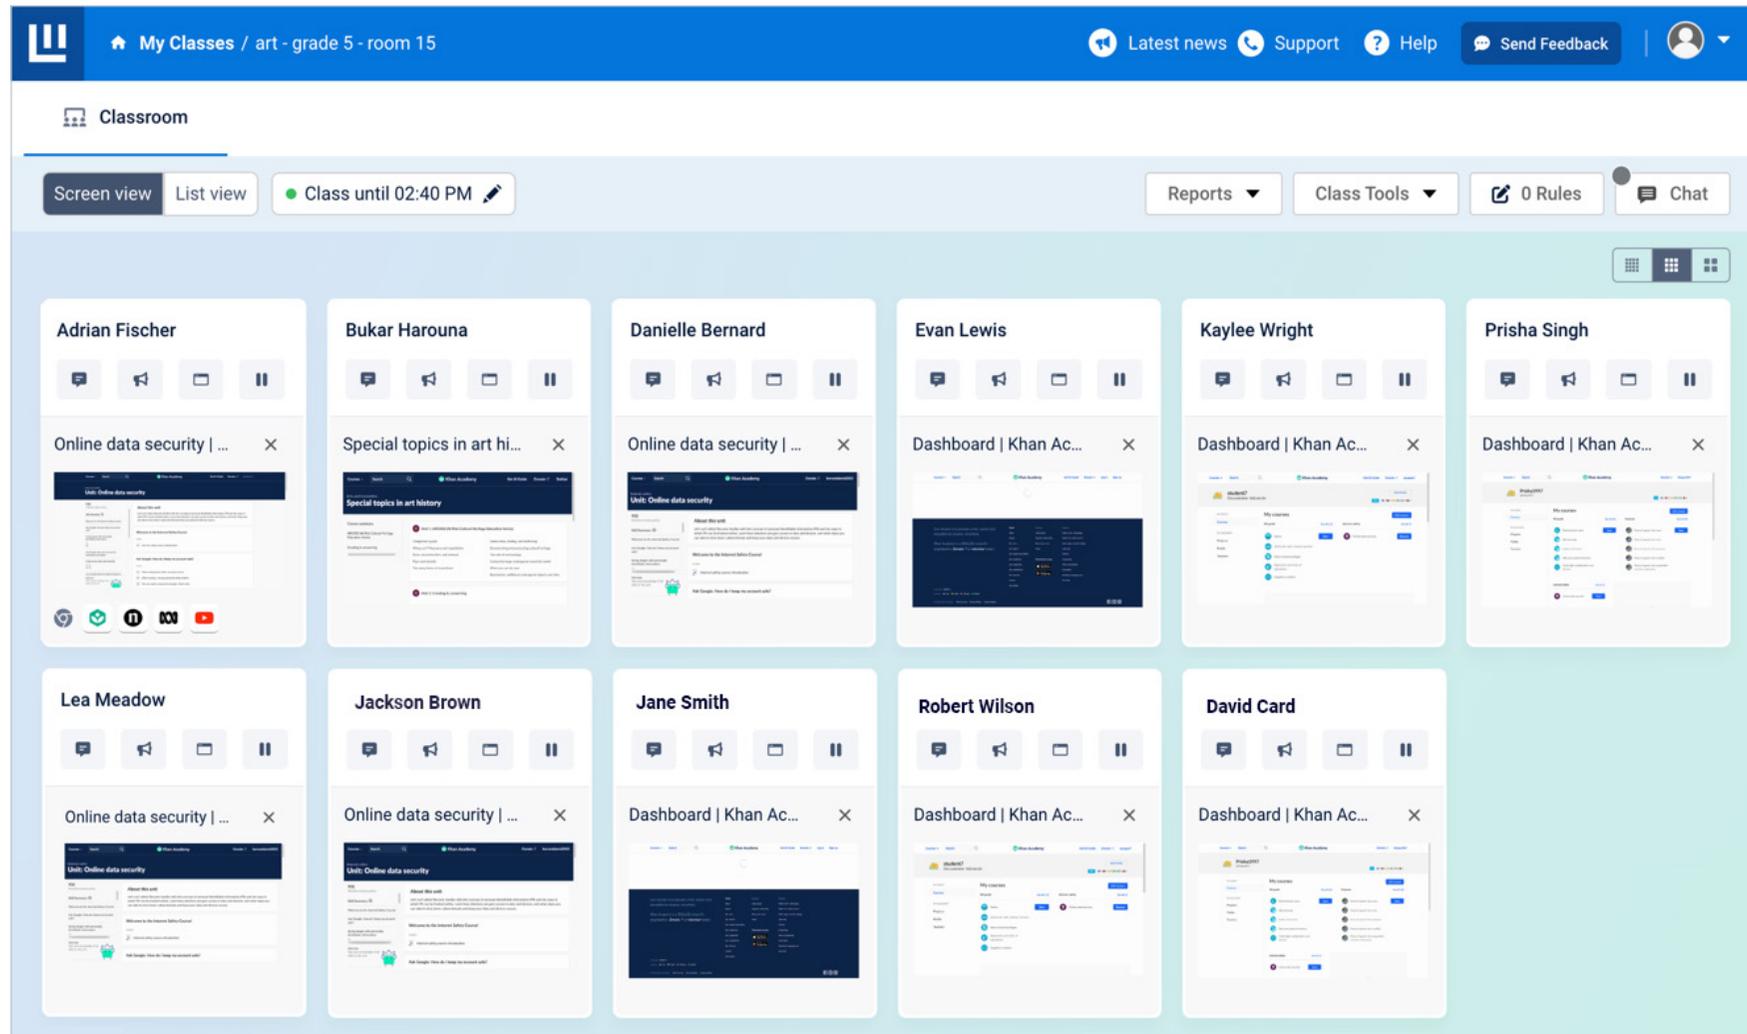

INVITATION CODE

Class settings - art - grade 5 - room 14 - Monday 1:30 pm
my local class
Students Teachers Scheduling Invitation Code
Invitation Code
4213
Code Expires in: 49:08
Delete Class Save

Toggle on **Invitation Code** to create Invitation Codes that students can use to join the class.

Scan or select this QR code for more information on how to add local classes and manage class settings.

The thumbnails on students' tiles may appear different depending on the type of Linewize Connect installed on a student's computer.

CLASS NAME

The name of the class from your School Information System or the name you gave to a Local class.

STATUS AND END TIME

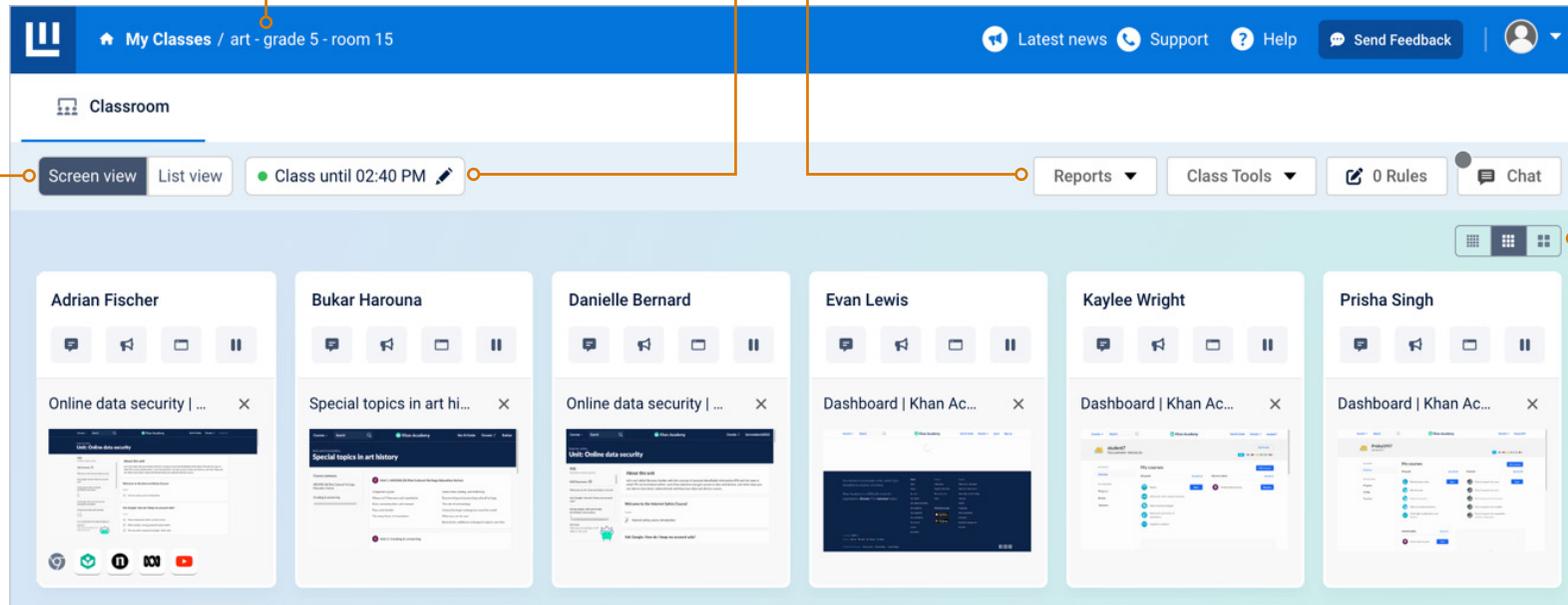

The green dot indicates the class is in session, while the time shows when the class ends.

CLASS TOOLBAR

Access reports, classroom management tools, filtering rules, and chat messaging.

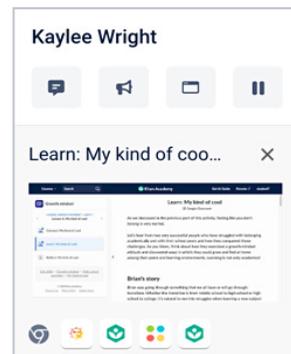

ZOOM LAYOUT

Resize student tiles to show more or fewer student tiles on the screen.

VIEW FORMAT

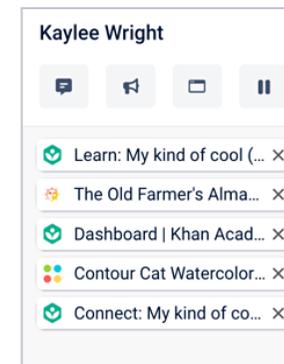

Displays the sites and apps that are open on a student's device. Toggle between a thumbnail image of the students' devices (Screen View) and the names of tabs or windows (List View).

SCREEN VIEW

In **Connect for Chrome**, see the browser updated when the user changes tabs or every 10 seconds.

In **Connect for Windows** and **macOS**, see the entire desktop updated every 10 seconds. Select the thumbnail to open the activity in Live View.

LIST VIEW

In **Connect for Chrome**, select to see a list of the open tabs. Click the X to close a tab.

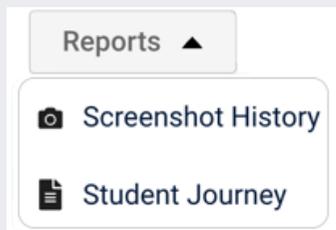

In **Connect for Windows** or **macOS**, select the title to open the activity in Live View.

REPORTS

Create reports of the online activity of individual students running Connect for Chrome or Windows. MacOS only supports Student Journey Report.

Scan or select this QR code for more information on creating Student Journey Reports.

Scan or select this QR code for more information on creating Screenshot History Reports.

CLASS TOOLS

Access tools to manage your class. Except Bypass code, all tools are available on all device types.

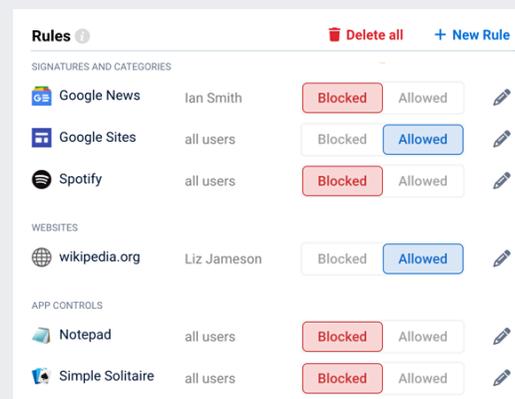

- Open site
- Announcement
- Focus
- Reward
- Pause internet
- Modify students
- Bypass code

Scan or select this QR code for more information on using Class Tools.

RULES

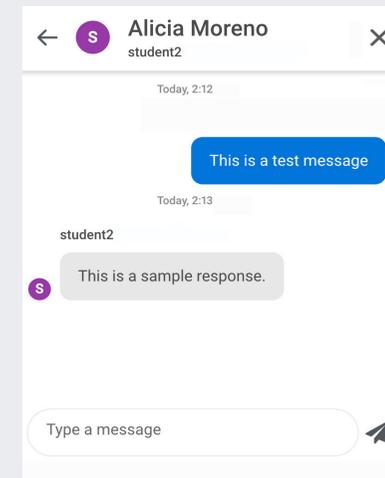

Create filtering rules that filter sites or applications, and apply these rules to the whole class or just a few students.

Scan or select this QR code for more information about Classize Rules.

CHAT

Exchange two-way messages with students on Chrome or send one-way messages to students on Windows or macOS.

Scan or select this QR code for more information on using Classize Chat.

ANNOUNCEMENT

Send a one-way message to the student.

OPEN SITE

Open a website or URL for the student.

STUDENT'S NAME

The student's full name

Prisha Singh

CHAT

Send and receive messages with students on Connect for Chrome, or send one-way messages to students on Connect for Windows or macOS.

THUMBNAIL

View a thumbnail of the student's active tab (Chrome) or desktop window or application (Windows or macOS).

PAUSE INTERNET

Pause Internet browsing for the student.

Scan or select this QR code for more information about pausing internet.

CLOSE TAB

Close the tab for a student on Connect for Chrome.

Scan or select this QR code for more information about closing tabs.

OPEN TABS

View the list of open tabs on the student's device.

INACTIVE TABS

View the inactive tabs open on the student's device.

HIDDEN TAB COUNT

Show how many more background tabs are open on the student's device.

Scan or select this QR code to check which Classwise features are available on device types.

Scan or select this QR code for more information about Live View.

FOLLOW ACTIVE TAB

Toggle on to follow which tab the student is viewing in real-time.

OPEN IN NEW TAB

Mouse over the tab and open the link in your own browser.

OPEN SITE

Opens a site or a new active tab for the student.

CLOSE

Close the Live View and return to the Classroom view.

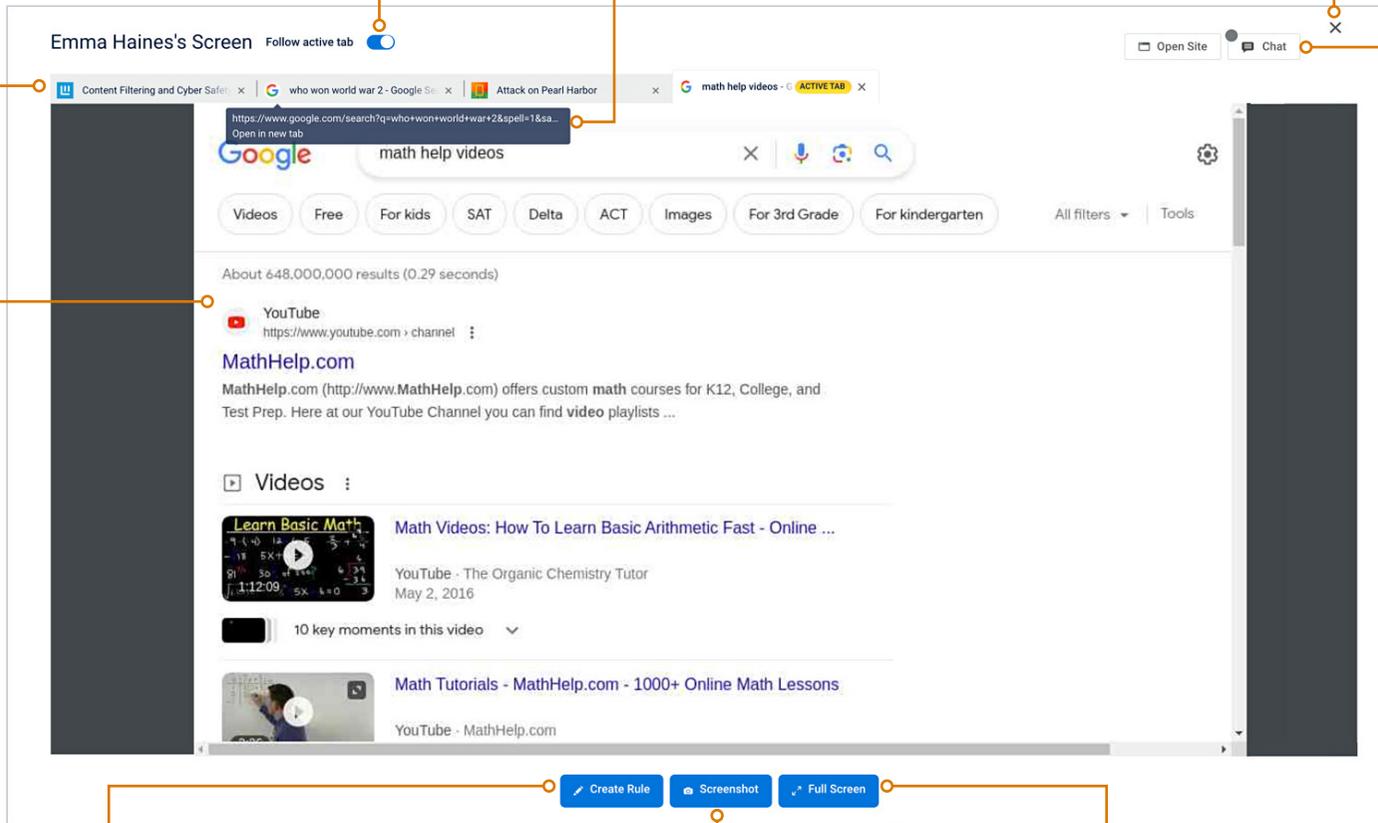

OPEN TABS

View or close the tabs open on the student's browser. **ACTIVE TAB** indicates which tab the student is viewing.

SCREENSHOT

A screenshot of the student's browser or screen taken every 10 seconds or each time the student opens an application, link or tab.

CHAT

Send and receive instant messages with students.

CREATE RULE

Creates a rule for the student or the whole class.

SCREENSHOT

Download a screenshot of the student's screen or tab.

FULL SCREEN

Display Live View in full screen and hide all other controls and buttons. Press ESC on your keyboard to return to normal view.
