

Clever Portal Single Sign-On for Students

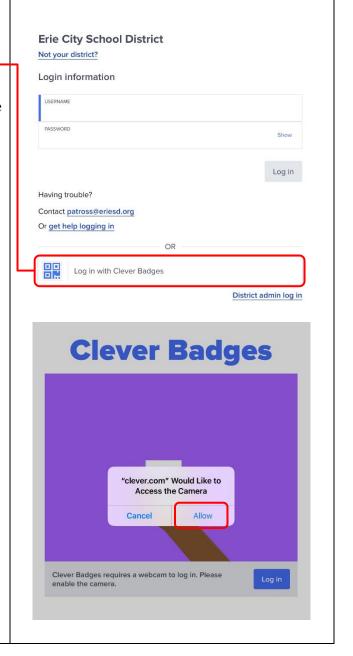

Using Badges to Sign In to Clever on Your iPad

Logging into the Clever Portal Using Badges

Students in grades K-1 who are assigned a district iPad will have two options for logging into the **Clever Portal**. They can log into the **Clever Portal** using their username and ESD student password, or they can scan their **Clever Badge**. **Clever Badges** allow students to hold up a physical badge to their device's webcam to get logged in, instead of typing in usernames and passwords.

Using the Clever Badge to Login to Clever: From the Clever Login page:

- 1. Click on Login with Clever Badges.
- 2. A message will appear stating that "clever.com" Would like to Access the Camera. Click Allow.
- **3.** The webcam will activate so the student can hold up their **Badge** up to the camera. Once the sensors recognize the code, the screen border will flash green.
- **4.** The students will then automatically be redirected to their **Clever Portal**.
