# LETTER FROM THE SUPERINTENDENT

July 2021

Dear Colleagues,

At the start of the 2020-21 school year, I asked you to stretch your comfort zones, shift your mindset and embrace a new normal. You did all of that, and you did it with patience and grace and a continued commitment to your students, their families, and our mission. Thank you for making us all proud.

As we embark on another new year together and adjust to the still-changing educational landscape, we will undoubtedly encounter new challenges. But I know we'll also have many opportunities to celebrate success – success you fuel in your classrooms and throughout your buildings every day.

I'm thankful that our work together will be aided by roughly \$90 million from the federal Elementary and Secondary School Emergency Relief Fund. The ESSER funding will help us make important investments throughout the district, including limiting class sizes, expanding our summer and afterschool programming, and enhancing our Student Assistance Program through the addition of case managers at schools, among other exciting changes.

We're committed to providing you with the resources you need to help make this school year a healthy, happy and successful one. Thank you, once again, for everything you do to support our students and families.

Sincerely,

A handwritten signature in blue ink, appearing to read "Brian J. Polito". The signature is fluid and cursive, written over a light blue horizontal line.

Brian J. Polito, CPA  
Superintendent of Schools
