

Students and Parents,

We are almost halfway through the school year, it will soon be time to drop off books you no longer need and pick up any materials you will need for your second semester courses. The second semester starts January 28th, and we want to make sure that you have time to drop off and pick up materials so you are prepared and ready to go on the first day of your new classes. If you see your class and teacher listed below with required materials, please make arrangements to pick these up from Erie High School.

Erie High Drop-Off and Pick-Up Protocols:

Drop Off Materials: January 13-January 20. (No drop off on January 18th)

Pick Up Materials: January 21-26 & 28-29.

When: 9:00 a.m.-3:00 p.m. (Monday-Friday)

1. Please park in the back of the building.
2. Enter door 39 (North side of the Gym).
3. A school member will greet you at the door to take your temperature and help assist with your materials.
4. Please make sure that you wear a mask and practice social distancing. Please avoid visiting the school if you have any symptoms of COVID-19.

Please use the list below to see if you have required material to pick up. If your course and teacher are not on this sheet, your work will be embedded in the course and you will have nothing to pick up at this time.
