

Strong Vincent Middle School Future Ready Comprehensive Planning

School Level Plan Goals 2021-22

Strong Vincent Middle School's vision aligns with our district's strategic plan. Erie's Public Schools champion high levels of student engagement and personalized pathways to educational excellence for every student, without exception.

If we fulfill our mission, every student will graduate with a diploma in hand.

For school improvement purposes, additional interventions will be put into place to decrease the amount of chronically absent students, increase PSSA mathematics and English Language Arts proficiency rates, ensure all students complete their college and career readiness requirements, as well support English Learners in meeting their English Growth Attainment Interim Goal and Targets.

ENGLISH LANGUAGE ARTS GOAL

The building ELA proficiency rate will increase from 45.1% to 49.6% based on the 2021-22 ELA PSSA assessment.

MATHEMATICS GOAL

The building MATH proficiency rate will increase from 22.9% to 29% based on the 2021-22 PSSA assessment.

ATTENDANCE GOAL

Based on the statewide performance standard (94.1%) and the EPS Strategic Plan goal (95% of students are present 90% of the school year), Strong Vincent will maintain 95% regular attendance during the 2021-22 school year.

CAREER and COLLEGE READINESS GOAL

Throughout the four quarters of the 2021-22 school year, all students will complete their Smart Futures requirements in STEM class.

Note: (2) Sixth Grade, (2) Seventh Grade, (2) Eighth Grade

(By the end of eighth grade, there must be a total of 6 artifacts spanning the four strands including the Career Plan.)

Goal: All Smart Futures activities will be completed by May 31, 2022.

ENGLISH LANGUAGE LEARNERS GOAL (TSI DESIGNATION)

English Learners will meet their English Growth and Attainment Interim Goal and Target during the 2021-22 school year.
