LETTER FROM THE SUPERINTENDENT

July 2020

Dear Colleagues,

The 2019-20 school year ended in a way that none of us expected, and the 2020-21 school year certainly will bring unique challenges of its own.

We need to stretch our comfort zones. We need to shift our mindsets. We need to embrace a new normal that includes remote and hybrid learning, changes to classroom configurations, and new health and safety guidelines. And we need to do all of these things while continuing to provide a personal path to success for each and every one of our students.

The road ahead is going to be a rewarding but difficult one for all of us, and I know you have very real concerns. But I also know you're up to the task.

Our plan to reopen our schools gives you, our staff members, and our families the tools to help make this year a success, including detailed health and safety guidelines and flexible education options. Please remember that we're in this together, and that while much is changing, much is staying the same – including our commitment to you. We stand ready to give you the resources and the support you need to navigate this uncharted territory.

Thank you for your ongoing flexibility, graciousness and professionalism. Best wishes for a successful school year!

Sincerely,

A handwritten signature in blue ink, appearing to read "B. Polito". The signature is fluid and cursive, written over a white background.

Brian J. Polito, CPA
Superintendent of Schools
