### **GoNoodle \*\*\*NOT shown on Destiny Library Homepage, but teachers may still wish to use**

- FREE, but must create an account
- Provides videos for “desk-side” physical activities that help students channel their energy and take “brain breaks”
- From the website: GoNoodle makes earning minutes of healthy activity a game that your kids play together. Motivate kids to stay active. Each class chooses a Champ -- a virtual mascot -- who grows as the class earns the minutes needed to advance to the next level. Reward them for engagement by helping them grow their Champ.
