Autistic Support Erie High School

Phone: (814) 874-6200

Dear Parent/Guardian:

I am pleased to have your child in my class this school year. Student schedules include core academics, specials, community-based instruction and field trips.

**Academics:**

The curriculum that the Autistic Support program will be using is the Unique Learning System. The Unique Learning System is a one-of-a-kind solution designed specifically to help students with special learning needs master their state's extended standards. This curriculum will include ELA, Math, Social Studies, Science as well as interactive activities dealing with life skills and job skills.

**Classroom Rules:**

1. Be Respectful: Be respectful of teachers, fellow students, materials, desks and classroom area. Practice positive manners and body language. Respect differences of your fellow students, including ethnicities, religions, and abilities. Keep electronics off and away.
2. Be Responsible: Arrive to class on time with classroom materials, prepared to learn. Be honest, trustworthy, and a positive role-model. Bring required materials to class.
3. Be Resilient: Follow classroom procedures every day, throughout the school year. Always give your best effort on classroom assignments. Accept and support classmates, even when you disagree. Face new challenges with a positive attitude, using your problem solving skills.

**Required Materials:**

All other classroom materials will be provided. A note will be sent home if requesting specific materials for school.

Students will be using a school district issued chromebook/ipad to complete assignments.

If there are any questions or concerns please feel free to contact me. I look forward to having a wonderful year.

Mrs. Kristine Feeney
