

REVISING

(Making it sound better)

- Adding, changing, or deleting parts of the piece to help the writing flow

- Turning overused words into **VIVID** words (verbs and adjectives)
- Beginning with an interesting lead that “hooks” the reader
- Ending the piece so the reader does not want to ask, “What else?”
- Details, examples, description
- Organization

vs.

EDITING

(Making it look better)

- CAPITALIZING the proper nouns
- Correcting misspelled words
- Adding, deleting, or changing punctuation: ! ? . , “

- Indenting paragraphs
