Writing Assessment - Grade 4 - Sept 2014 - Informational

Submitted: 09-23-2014 09:35:13 AM

A portion of the test must be graded manually.

The grade below is based only on what could be graded automatically.

This submission came in from a bubblesheet.

1. This question will be graded manually

Think about an activity you like to do or would like to try. This activity could be done indoors or outdoors, with a group or alone. Some people like to play games or sports. Others like to do an art or music activity. What is one activity you like to do or would like to try? Write an essay for your teacher that describes one activity that you like to do or would like to try. Use details and examples to explain your ideas.

Answer:

Question #1

Think about an activity you like to do or would like to try. This activity could be done indoors or outdoors, with a group or alone. Some people like to play games or sports. Others like to do an art or music activity. What is one activity you like to do or would like to try? Write an essay for your teacher that describes one activity that you like to do or would like to try. Use details and examples to explain your ideas.

The activity I love to do is play volleyball. I play in my back yard with my friends across the street from me. That's what I played the last week of summer. It was a blast. One time we played in the tennis courts. When my friend left another friend came. We played until 8:00 PM. It was fun. We played the next day too. My back yard is really big because we used to have a
