

Family Note

As children begin to work with place value, the students need to understand that a bundle of sticks is worth 10 and that single stick is worth 1.

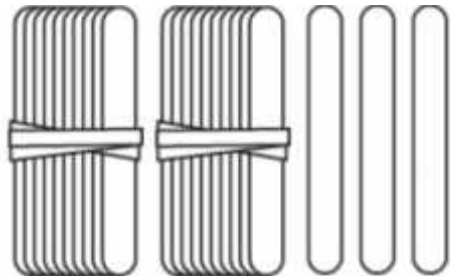

Please return this Home Link to school tomorrow.

1. Look at the craft sticks below.

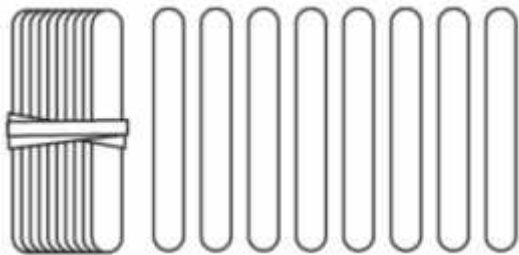

There are _____ tens and _____ ones. Write the number _____.

2. Look at the craft sticks below.

There are _____ tens and _____ ones. Write the number _____.

3. Look at the craft sticks below.

There are _____ tens and _____ ones. Write the number _____.
