

**Family Note**

Students today were introduced to the minute hand when telling time. We are currently working on the half hour. Students need to understand 4:30 can be named as four thirty or half past four o'clock.

*Please complete and return to school tomorrow.*

Write the time on the line next to the clock.

Draw the hands on the clock to show the times.

5:30

1:30

11:30
