

Name _____

Family Note: Students are working on answering questions based on data. Students create a bar graph from the data and use the graph to answer questions. Use the survey on how many teeth first graders have lost below to create a bar graph. Color in one box for each student according to how many teeth they lost. Use the graph to answer the questions about the data.

0 Teeth	1 Tooth	2 Teeth
Carly	Todd	Kaleb
Zoe	Ron	Bryce
David	Mike	Jose
Ashley		Ava
Kyle		Eli
		Marie
		Isaac

0 Teeth							
1 Tooth							
2 Teeth							

How many teeth did most children lose? _____

How many teeth were lost the least? _____
