

Family Note:

Students are currently working on recognizing compliments of 20. Students are using a double ten-frame to help them solve.

Please return this Home Link to school tomorrow.

Directions: Draw the counters in the double ten-frame to show the number. Solve.

1. Show 19.

$$20-19= \underline{\quad}$$

2. Show 11.

$$20-11= \underline{\quad}$$

3. Show 16.

$$20-16= \underline{\quad}$$
