

Name: _____

Students are learning to create a number line to help when adding two numbers together. When completing the homework, help your child begin their number line with the larger number in the addition problem and then once the number line is complete, by counting up the number of hops (or smaller number) to solve.

$88 + 6 = \underline{\quad}$

$29 + 4 = \underline{\quad}$

$11 + 8 = \underline{\quad}$

$64 + 5 = \underline{\quad}$

$33 + 7 = \underline{\quad}$
