Name _____

Family Note

Students are learning that different shapes have specific characteristics. For example, the amount of corners or flat sides.

Please return this Home Link to school tomorrow.

Draw the shapes below to answer the shape riddles.

1. I have 4 corners. I have 4 sides that are the same size. What am I?

2. I have 3 corners. I have 3 sides. What am I?

3. I have 0 corners. I have 0 sides. What am I?
