

Family Note

As children continue their work with Base-10 Blocks, continue to help your child count by starting in the 10s place and moving to the 1s place.

Please return this Home Link to school tomorrow.

Solve the Base-10 block riddles below.

Circle the digit in the tens or ones place as indicated below.

Example: 6  and 7  67

1. 5  and 3  _____ Circle the tens place

2. 7  and 9  _____ Circle the ones place

3. 2  and 3  _____ Circle the tens place

4. 9  and 2  _____ Circle the ones place
