

Name _____

Family Note

We are working on number stories and then writing a number model to match the story. Have your child show you how we practiced in class. They may use the number line, draw a picture, use counters, or any other strategy to solve.

Please complete and return to school tomorrow.

Directions: Read the number story. Solve. Write the number sentence to match.

1. Ava had 9 pennies.

She lost 4 pennies.

How many pennies does Ava have now?

_____ - _____ = _____ _____ pennies

2. The chicken has 6 eggs.

2 eggs hatch.

How many eggs are left?

_____ - _____ = _____ _____ eggs

3. There are 6 birds on a fence.

4 birds fly away.
