

## Home Link 7-9 Making Change

**Family Note:** Children are beginning to learn how to make change. If you have dimes, nickels, and pennies available, have your child act out the problem with real money. For each problem, your child should pay with just enough times to cover the cost.

*Please return this Home Link to school tomorrow.*

Record the number of dimes you paid. Record the amount of change you got.

### Example:

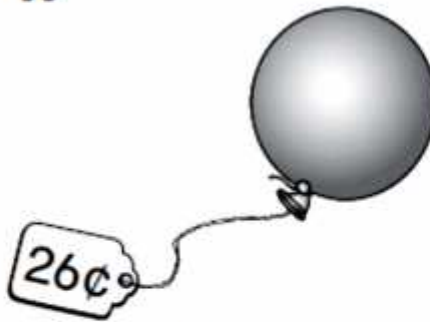

marbles

I paid with  
5 dimes.

I got 3 cents  
 in change.

1.

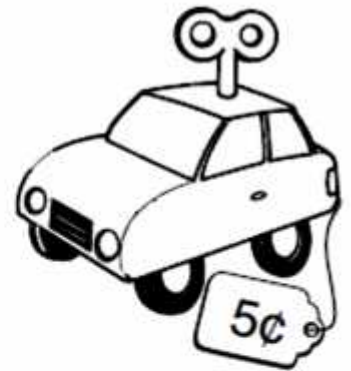

balloon

I paid with  
 \_\_\_\_\_ dimes.

I got \_\_\_\_\_ cents  
 in change.

2.

toy car

I paid with  
 \_\_\_\_\_ dime.

I got \_\_\_\_\_ cents  
 in change.

### Practice

3. Find the rule. Write the missing numbers.
