

Identify Lines, Rays, and Angles

Observe the familiar figures below. A) Mark each point with an X. B) Fill in the chart with yes or no. If the object has that feature, write yes, if it does not have that feature, write no.

Example:

1.

2.

3.

4.

5.

	Example: Calculator	1. Compass	2. Protractor	3. Ruler	4. TV	5. Computer
ray	No					
line	No					
line segment	Yes					
angle	Yes
