

# Give With Your Heart

*solo, optional:*

Give with your heart, give with a smile.  
It doesn't have to be much.  
Give with your love, give with a hug.  
And see all the lives you can touch.

*chorus, part 1:*

With your heart, with your heart,  
you can give with your heart.  
With your heart, with your heart,  
you can give with your heart.

Give with your heart, give with a smile.  
It doesn't have to be much.  
Give with your love, give with a hug.  
And see all the lives you can touch.

*repeat chorus twice*

With your heart.  
You can give with your heart.

*chorus, part 2 (opt.):*

Your heart, your heart.  
You can give with your heart, oh.  
Your heart, your heart.  
You can give with your heart.

Ooh.  
Ooh.  
Ooh.  
Ooh.

*repeat chorus twice*

You can give with your heart.
