

# Glow

*part 1 (solo):*

I will light a candle  
in my corner of the world.

You can light a candle  
in your corner, too.

Look at how our lights shine.  
Look at how we both find  
when our lights are glowing,  
we can all glow, too.

*all sing:*

We glow. We glow together, too.  
We glow. We glow together.

I will light a candle  
in my corner of the world.

You can light a candle  
in your corner, too.

Look at how our lights shine.  
Look at how we both find  
when our lights are glowing,  
we can all glow, too.

We glow. We glow together, too.  
We glow. We glow together.

Ooh. Ooh.  
Glow, glow, glow, glow.

*part 2 (solo):*
