

Dear Senior Class of 2017,

The Staff of the Collegian would like to inform you about the very exciting plans we have for your senior section of the yearbook. We need your help in order to make it spectacular. We need 4 items from you **by October 19th (senior field day)**. Please bring your items and completed form to **rm 126**.

1. **SENIOR CHOICE PHOTOS**: All seniors will have an additional **TWO** photos of their choice adjacent to their senior portrait. *If you do NOT give us appropriate choice photos, your 9th grade and 10th grade photos will be used.* Please adhere to the following photo specs for your senior choice portrait:
 - No selfies! We know this a popular format, but save it for Instagram.
 - Choice photos could include a childhood photo, other senior portraits, or sports photo; however, the additional picture should only be of you (*No Bff's, significant others, siblings, etc.*).
 - *The Yearbook Staff retains the right to determine appropriateness of all photos. Any photo deemed unacceptable will not be used, and you will be contacted for a replacement.*
 - Digital photos should be emailed to npcacollegian@gmail.com or you may bring the photos to rm 126 and we will scan it for you. *A digital file is preferred for optimal clarity.*
2. **SENIOR QUOTE**: We would like to include a quote for each senior. The character (not word) limit for quotes is 140 maximum (This is the size of a tweet). No profanity, inappropriateness, or foreign language quotes will be accepted. If you do not provide us with a quote, we will put "Class of 2017" in the quote area for you. *The Yearbook Staff retains the right to determine appropriateness of all quotes. Any quote deemed unacceptable will not be used, and you will be contacted for a replacement.*
